DECLINES THE HONOR.—The following signed statement has been given out by Judge O. W. Powers, who was recently appointed United States Senator from Utah by acting Governor Nebeker: "While there can be no question but what Senator Nebeker was governor in the absence of Governor Wells and Secretary Hammond from the State and that he had power to appoint a United States Senator, the precedent in the Quay case makes it clear that his appointment would not be seated. Our democratic state chairman, Mr. Burton, is of the opinion that I can be of more service to the party on the electoral ticket than in making a contest. In addition, I have no desire to draw the salary pending a contest when I am now convinced in advance that the seat would be refused. Hence, unless the national committee shall desire me to take action, I shall not accept the appointment. At first it appeared to me that I should make the fight and thus draw attention once more, as urged by the democratic party, for a constitutional amendment providing for the election of Senators by the people; but my sober judgment is the contrary. I appreciate Governor Nebeker's confidence and shall always cherish the compliment."

A WONDERFUL CURE OF DIARRHOEA.

A Prominent Virginia Editor Had Almost Given Up, But Was Brought Back to Perfect Health by Chamberlain's Colic, Cholera and Diarrhoea Remedy.—Read His Editorial From the Times, Hillside, Va.

I suffered with diarrhoea for a long time and thought I was past being cured. I had spent much time and money and suffered so much misery that I had almost decided to give up all hopes of recovery and await the result, but noticing the advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy and also some testimonial stating how some wonderful cures had been wrought by this remedy, I decided to try it. After taking a few doses I was entirely well of that trouble, and I wish to say further to my readers and fellow sufferers that I am a pale and hasty man today and feel as well as I ever did in my life.—O. R. Moore. Sold by all druggists.
